Dear Scott,

On behalf of the Lewiston MAINEiacs and myself we want to say thank you for letting us participate in the recent Harlem Rockets game held in South Portland. It was nice to see the support of all the organizations who participated in this great fundraising effort. The real pleasure was seeing the how much the kids enjoyed the show. Numerous times those of us on the bench found ourselves getting just as involved as the kids participating on the court.

Numerous Lewiston MAINEiac fans approached me after the event to tell me how proud they were in seeing the team represented at the game. The whole day was very well coordinated, marketed, and done with class.

On a personal note please accept my sincere thanks for letting the team and myself participate in this one of a kind event.

Sincerley,
