Dear Scott,

I wanted to follow up with you regarding the Harlem Superstars event that your company helped to organize. I appreciated your thoroughness as you followed-up with us to ensure that everything was in order prior to the athletes' visit to our school and the "Harlem Superstars" event the following weekend.

The athletes' performance at our school was outstanding. They both delivered a clear, positive message to our entire student body. In addition, their basketball demonstrations and games with our students left our students eager to see more. The students were so excited that many of them attended the event that weekend at South Portland High School. Thank you also for coordinating the communication between the school and the Harlem Superstars. Such a high level of communication and coordination allowed us to know exactly what kind of set-up was needed for the show as well as how the show would start and end. All in all, it was a very successful event. Thank you for all you did to contribute to this success.

Sincerely,

*Megan Welter*
